

Unit project

After learning this unit, you are going to accomplish a project with other members in a group.

Work out a poster and present in the class:

Work in group of five. Design a poster about lifeboat/lifejacket. Include as much knowledge as you have acquired and then present your poster to the whole class. You may refer to the following content:

1. The importance of lifeboats/lifejackets on a ship;
2. Different types of lifeboats/lifejackets;
3. Markings, equipment and fittings of a lifeboat;
4. Procedures of launching a lifeboat/wearing a lifejacket;
5. The instructions on how to embark and behave in a lifeboat.
